Summary: set before the events of season 3 and 1 month after season 2, the 6th doctor is traveling but the tardis goes out of control and lands in 1984 Hawkins county, where the doctor meets the 5 heroes lucas, dustin, mike, will, and lucas. it's up to the entire crew to figure out why the tardis ended up landing in hawkins, or maybe a sinister plot is at hand.

doctor who: strange things in hawkins county

chapter 1:

the crew meets the 6th doctor

the doctor was traveling like he would occasionally do. but then suddenly, the tardis acts crazy and then it decides to land somewhere in the u.s instead of the u.k. the townspeople were confused as to why a british telephone box would be in hawkins county? so they decide to leave it... but only 5 kids mike, dustin, max, will, and lucas decide to figure out whats inside the telephone box.

dustin: doctor who!!!!

mike: what?

lucas: its a show from bbc

max:(thought bubble) nerds

dustin: i wonder if the storys were true?

mike: well lets find out.

will: i have a bad feeling about this.

mike: theres no time for star wars impressions dude.

lucas: stop arguing.

the boys attempt to knock on the door... meanwhile inside the tardis.

6th doctor: (wakes up)well, that was out of knowhere. jeez girl, what has gotten into you? i have never seen you act like this...oh well, time to see where i landed.

the doctor hears a knock and decides to go investigate. but when he opens the door...

dustin: woah!! the tales do exist.

max: ok i think you might have more...

dustin: no it is him. oh doctor i am your biggest fan.

6th doctor: well thank you, now what happened and where am i?

dustin: well 3 days ago we and a couple of townspeople saw your tardis appear in front of the town hall.

6th doctor: oh did i? i am so sorry.

mike: lets take him to hoppers house.

6th doctor: oh that wont be necessary *tardis parts explodes* ok lets go to your freinds house.

max: you sure?

6th doctor: yep, lets go!

hoppers house

el: whats mike doing around here? and who is that man?

hopper barges in

hopper: what man?

hears knocks

hopper: hold that thought *pulls out his gun* you stay...*opens the door* here.

6th doctor: well if your gonna shoot me im just gonna keep coming back.
